

SCHOOL DAY INSURANCE

Parents are responsible for all medical bills incurred due to accidents involving their children at school. The Cleburne County Board of Education does not provide insurance coverage for school day accidents. A supplemental school day insurance policy is available for parents to purchase at their discretion the first two weeks of school. This policy will not cover major medical expenses so it is recommended that parents have other health insurance to cover their children at school.

VISITORS

For the protection of our students, employees and guests, all visitors, including parents, are required to go to the school office immediately and obtain an office badge upon entering the building and to report their presence and business.

Disruptive Visitors

Visitors with a legitimate reason for being on school property may enter and remain on school campuses and Board facilities in accordance with limitations and requirements that are designed to preserve security and maintain an orderly educational environment. Visitors are required to observe appropriate decorum at all times and to respect administrative requirements and restrictions regarding their activities and interaction with faculty, staff, and students while on Board property. School officials are authorized to revoke permission to be on school property to noncompliant visitors; to limit, condition, or prohibit their future access to school property as deemed necessary to ensure safety and order; and to enlist the assistance of law enforcement agencies if and as necessary to accomplish these objectives.

TITLE IX

A. Prohibition

In accordance with Title IX (20 U.S.C. §1681, et seq.), the Board strictly prohibits discrimination on the basis of sex or gender in its programs or activities, including sexual harassment, as defined by law and Board policy. Sexual harassment complaints should be filed and reviewed under the Board's student sexual harassment policy. All other complaints under Title IX will be filed and reviewed according to the Board's general complaint and grievance procedures.

B. Title IX Coordinator

The Superintendent is authorized and directed to designate a Title IX Coordinator, whose duties will include but not be limited to receiving and responding to Title IX inquiries and complaints.

C. The CCBOE has appointed the **principal at each school** as the first point-of-contact for persons who have questions or concerns with Title IX issues. If such a concern arises and the local school principal does not provide a sufficient response to the concern, aggrieved persons may utilize the board's formal grievance policy, found in this book on pg. 36, in order to pursue a solution to their problem.

Food Safety

All baked items to be served to students during the school day must be store-bought in original containers or purchased from a licensed baker (business). These containers must contain a list of ingredients and nutritional values that are on the packaging or supplied by that specific business per state mandate.
