## Preface

The Cleburne County Board of Education is established under authority of state law for the purpose of exercising general supervision and administration of the public schools serving school age children who reside within the county limits of Cleburne County, and of promoting the interests of the Cleburne County Schools and the children they serve. Those responsibilities are met, in part, by the adoption and implementation of formal policies by which the principles that guide decisionmaking are established.

Policies are generally broad statements of principle and purpose, and are intended to serve as a framework for decisionmaking and administrative action rather than as a manual for day-to-day decisionmaking and action. Policies can nevertheless establish specific substantive standards and requirements, including standards of personal and professional conduct, the violation of which may result in disciplinary sanctions or other adverse consequences. However, policies do not restrict the ability of the Board or its employees to respond reasonably and flexibly to unexpected contingencies, emergencies, and other conditions that call for a response that is tailored to unique or special circumstances.

Policies should be construed as a whole and with reference to related policies and applicable law. Although policies are adopted partly for the purpose of meeting the requirements of pertinent law, they do not establish or create a legal right, claim, entitlement, or interest to or in any title, position, assignment, duty, work location, level or rate of compensation, benefit, or term of employment.

Any provision, feature, or aspect of Board policy that does not conform to governing law should be deemed void and superseded by such law. Editorial changes that do not affect the meaning, substance, or application of a policy may be made by the Board without advance public notice and comment.

In general, the Board reserves the right to adopt, revise, interpret, amend, repeal, suspend, or apply policies according to its assessment of the needs and interests of the school system, subject only to such limitations on the exercise of such prerogatives as may be imposed by law.

## Notice of Non-discrimination

#### **3.4.1 Conflict of Interest Policy**

Generally, a conflict of interest exists when a board member, board employee, or agent of the board participates in a matter that is likely to have a direct effect on his or her personal and

financial interests. A financial interest may include, but not limited to, stock ownership, partnership, trustee relationship, employment, potential employment, or a business relationship with an applicant, vendor, or entity. A board member, board employee, or agent of the board may not participate in his or her official capacity in a matter that is likely to have direct and predictable effects on his or her financial interests.

A board member, board employee, or agent of the board will abide by the Federal and State laws and regulations that address conflict of interest standards. In general, the Federal rules provide that:

*No employee, officer, or agent of the board shall participate in selection, or in the award or administration of a contract supported by Federal funds if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or an organization which employs, or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from the firm considered for a contract. The board officers, employees, or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subcontracts.*

The board's conflict of interest policies include adherence to the Alabama Ethics Law, which defines conflict of interest as:

*A conflict on part of a public official or public employee between his or her private interests and the official responsibilities inherent in an office of public trust. A conflict of interest involves any action, inaction, or decision by a public official or public employee in the discharge of his or her official duties which would materially affect his or her financial interest or those of his or her financial interest or those of his or her family members or any business with which the person is associated in a manner different from the manner it affects the other members of the class to which he or she belongs.*

A Board member, board employee, or agent of the board may not review applications, proposals, or participate in the evaluation or selection process where his or her participation in the review process would create the appearance that he or she is (a) giving preferential treatment; (b) losing independence and impartiality; (c) making decisions outside official and appropriate channels; or (d) harming the public's confidence in the integrity of the board. Situations and circumstances presenting an actual conflict or the appearance of a conflict should be brought to the immediate attention of the superintendent. A board employee, board member, or agent of the board who has knowledge of a possible conflict of interest should identify the conflict and notify the superintendent. The superintendent will document his or her actions related to the reported conflict of interest. Resolution can consist of disqualification, recusal, waiver, or other appropriate measures. Appropriate measures may include reporting a conflict of interest to the State Ethics Commissions, the Alabama State Board of Education, or other appropriate federal agency.

Such procedures will not unreasonably burden or delay the presentation or processing of the complaint or grievance and will be subject to review and approval by the Board. However, employment evaluations are intended to enhance the overall quality of the school system’s instructional program and are not intended to confer, constitute, or give rise to any individual right, entitlement, or enforceable expectation of continued employment or advancement. Accordingly, except as may be specifically provided otherwise in the state law applicable to “contract principals,” employees do not acquire any employment right or right of legal action based on any actual or alleged failure on the part of the Board or the evaluator to follow specific evaluation policies, regulations, or procedures.

Anonymous material and other matters that are prohibited by law, regulation, or Board policy from being maintained in personnel files may not be included therein. Employees may reasonable supplement or respond in writing to any material contained in the personnel file with which they disagree and such responses will also be included in the personnel file.
- 5.8.2 Alternate Data Storage – Personnel file data may be stored or maintained electronically or digitally.

5.9.2 Absences – Except as otherwise authorized under Board policy, employees may be absent from work only in the following circumstances:

- a. Illness, injury, or other qualifying reason for sick leave or on-the-job injury leave under state law or the Family Medical Leave Act;
- b. Personal leave;
- c. Vacation leave;
- d. Professional leave;
- e. Military leave;
- f. Court leave;
- g. Other unpaid leave that is specifically approved by the Board upon a showing of substantial hardship or extraordinary circumstances.

Employees who know in advance that they will be absent from work must notify the Board of the expected absence in accordance with procedures specified by the Superintendent or the Board. In the event of an emergency or incapacity that makes advance notice impractical, employees must notify the Board of their absence as early as possible. Except as otherwise provided or permitted, an employee who is absent from work without approved leave will be considered absent without leave in violation of Board policy and subject to appropriate disciplinary measures. Employees who are approved for paid leave or absences will be paid at the regular daily rate of pay; however, a day of paid leave or absence will not be counted as a day worked for the purposes of computing overtime under the Fair Labor Standards Act. Pay will be reduced on a pro rata basis for leaves or absences not covered by sick, vacation, persona, or other appropriate form of paid leave. The continuation of benefits during an approved absence is subject to the provisions of the particular benefit policy or plan.

### 5.9.3 Paid Sick Leave

- a. *Persons Eligible for Paid Sick Leave* – All regular full time employees and permanent part-time employees are eligible for paid sick leave.
- b. *Earning and Accumulation of Paid Sick Leave* – All eligible employees earn sick leave days at the rate provided for in state law. Eligible employees may accumulate sick leave as provided by state law.

  - ii. Incapacitating personal injury;
  - ii. Attendance upon an ill member of the employee’s immediate family, defined as a spouse, parent, child, sibling or any person with a close personal tie;
  - iv. Death of a family member, including a spouse, parent, child, sibling, mother or father-in-law, son or daughter-in-law, brother or sister-in-law, nephew or niece, grandparent, grandchild, aunt or uncle;
  - v. Death or care of an individual with whom unusually strong personal ties exist because of a relationship other than those listed above.
- d. Certification – Employees may be asked to certify that sick leave was used for one of the reasons provided in state law and specify the reason. If the employee’s principal or department head has probable cause to believe that an employee has abused or misused sick leave, a physician’s statement verifying the existence and nature of the illness or medical condition may be required by the Board. Abuse of sick leave may subject the employee to disciplinary action.

[Reference: ALA. CODE §16-1-18.1 (1975)]

5.9.4 On-The-Job Injury Leave – On-the-job injury includes an accident or injury to an employee that occurs in the course of performing job duties for the Board or when the employee is directed or requested by the employer to be on the property of employer and which prevents the employee from working or returning to the job. Employees who are accidentally injured on the job may be approved for paid “on-the-job injury” leave without using sick days, provided that:

- a. The injured employee submits written medical certification from the attending licensed physician stating that the employee was injured and cannot return to work due to a specified injury, if there is a reasonable expectation that the employee will return to work and, if so, the expected date of that return. The Board may require a second opinion from a Board specified physician, at its expense.
- b. The employee submits a signed written account of the accident attested by a principal or department head within twenty-four (24) hours after the injury occurred. If the injured employee is not able to notify the Board, another person reasonably knowledgeable about the employee’s condition and circumstances leading to the injury may provide the required notification.

Upon a determination that the employee has been injured on the job and cannot return to work, the Board may maintain the employee's salary and benefits for the period of incapacity caused by the injury, not to exceed ninety (90) days. An employee who is injured on the job may file a request for unreimbursed medical expenses and costs with the State Board of Adjustment. The Board will provide such reasonable assistance to the employee in filing the Board of Adjustment claim as is required by law, but assumes and will have no responsibility or liability for processing the claim or directly reimbursing the employee any unreimbursed medical expenses and costs. On-the-job injury leave will be administered in accordance with and subject to the requirements and limitations imposed by state law regarding such leave.

[Reference: ALA. CODE §16-1-18.1 (1975)]

- 5.9.5 Personal Leave – All regular, full time employees are eligible for two (2) non-cumulative personal leave days each scholastic year without loss of pay. Personal leave must be requested in accordance with such procedures as may be established by the Superintendent or the Board. Personal leave may not be taken on an Institute day or otherwise when it will unduly disrupt Board or school operations. The Board may grant up to three more paid personal leave days for employees each year upon specific approval by the Board on or before July 1 of any such year. Unused personal leave days will be converted to sick leave days at the end of each school year. Employees must pay the cost of a substitute for any personal leave days taken over two.

The number of days approved for such leave will be at the discretion of the Superintendent; provided, however, that any such leave exceeding five (5) days in a scholastic year must be approved by the Board. - 5.10.2 Medical Leave Provided by the Act – Under the FMLA, eligible employees are entitled to twelve (12) weeks of unpaid leave during any twelve (12) month period for one or more of the following reasons:
- a. The birth and first year care of a newborn child;
  - b. The placement of a foster child or adoption;

- c. The care of an immediate family member, defined as a spouse, child or parent, with a serious health condition;
- d. The taking of medical leave because of the employee's own serious health condition.

For the birth, adoption, or foster placement of a child, the entitlement to leave for child care expires at the end of the twelve (12) month period beginning on the date of birth, adoption, or placement. Leave associated with the illness of a child will only be provided if the child is under eighteen (18) years of age or is incapable of self care due to physical or mental disability.

5.10.3 Serious Health Conditions – The term “serious health condition” means an illness, injury, impairment, or physical or mental condition that involves the following:

  - ii. Pregnancy or prenatal care;
  - iii. A chronic, serious health condition which continues over an extended period of time, requires periodic visits to a health care provider, and may involve episodes of incapacity (e.g., asthma and diabetes);
  - iv. A permanent or long-term condition for which treatment may not be effective (e.g. Alzheimer's, severe stroke) and for which supervision of a health-care provider is required;
  - v. Multiple treatments for restorative surgery or for a condition which would likely result in a period of incapacity of more than three (3) days if not treated.

5.10.4 Military Family Leave Provided by the Act

- a. *Qualifying Exigency Leave* – Under the FMLA, an eligible employee with a spouse, child, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may utilize the twelve (12) week medical leave entitlement to address qualifying exigencies resulting from that service.
- b. *Military Caregiver Leave* – An eligible employee, who is the spouse, child, parent, or next of kin of a covered service member, is entitled to take up to twenty-six (26) weeks (including any medical leave provided by the Act) of

unpaid leave during any twelve (12) month period (beginning the first day of the leave) to care for an individual covered service member with a serious injury or illness incurred in the line of duty while on active duty that may render the service member medically unfit to perform the duties of the member's office, grade, rank, or rating. A covered service member is a member of the Armed Forces, including the National Guard and Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness incurred in the line of duty on active duty.

- 5.10.6 Intermittent Leave – An employee may take leave intermittently or on a reduced leave schedule only when medically necessary to care for a spouse, parent, or child or to receive planned medical treatment. Intermittent leave should be scheduled to the extent practicable so as not to unduly disrupt the operations of the Board. Intermittent leave may be further limited for teachers in accordance with federal law.
- 5.10.7 Use of Vacation and Sick Leave – If an employee has available sick leave, vacation leave or other applicable paid leave, the employee must utilize those forms of leave before taking unpaid leave under the FMLA. In that instance, the paid leave and the FMLA leave will run concurrently and the employee's twelve (12) weeks of unpaid FMLA leave will be reduced by the paid leave utilized, as long as the need for such leave results from one or more of the qualifying reasons under the FMLA.
- 5.10.8 Notice – Employees seeking leave under the FMLA must provide thirty (30) days advance notice of the need to take leave when the need is foreseeable. When the need for leave is unforeseeable, employees should notify their supervisors as soon as possible. Employees must also provide notice of the need for qualifying exigency leave as soon as practicable.
- 5.10.9 Certification for Medical or Military Caregiver Leave – Every request for FMLA leave based upon the serious health condition of the employee or employee's spouse, children, or parents, or leave as a military caregiver must be supported by medical certification issued by the appropriate health care provider on forms provided by the Board.

For leave based on a serious health condition of the employee or employee's spouse, child, or parent, the Board reserves the right to obtain a second opinion from an independent health-care provider designated by the Board. If the

opinion received by the employee and the second opinion conflict, the Board and the employee must agree on a third provider to issue a binding opinion. Both the second and third opinions (if necessary) will be at the expense of the Board.

- 5.10.10 Certification for Qualifying Exigency Leave – Certification will be required by the Board for requests for qualifying exigency leave. Certification must be timely submitted on forms available from the Board. For the first such request, certification may include a copy of the military service member’s duty orders or other military documentation.
- 5.10.11 Return to Work – The Board may require an employee who has taken leave due to the employee’s own serious medical condition to provide the Board with a healthcare provider’s certification in order to return to work. Any employee who takes leave under these provisions will be entitled to be restored to the original position held when the leave commenced or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
- 5.10.12 Maintenance of Benefits – Benefits accrued by the employee before leave is taken are not lost when approved FMLA leave is taken. Employees who are on approved FMLA leave will remain eligible to participate in benefit programs in which the employee was enrolled at the time of the leave, provided that the employee will continue to be responsible for payment of employee’s portion of any cost, premium, or like payment that is required to maintain eligibility for the coverage or benefit. An employee that does not return to work after FMLA leave, will be required to reimburse the Board for the cost of benefits coverage extended to the employee during the leave, unless the reason for the employee’s failure to return to work is (i) a continuing serious health condition suffered by either the employee or a family member, or (ii) other circumstances beyond the employee’s control.
- 5.10.13 Instructional Employees – Medical leave taken by eligible instructional employees is subject to further limitations and provisions established by the FMLA. The Superintendent or his designee is authorized to develop additional information and guidelines concerning Instructional Employees.

## **5.12 *Administrative Leave***

The Superintendent is authorized to place an employee on administrative leave upon a determination that the best interests of the school system would be served by such action. Administrative leave relieves the employee of regular work responsibilities pending resolution of the matters or circumstances that gave rise to the leave. Administrative leave is not disciplinary in nature or purpose and does not affect the employee's compensation, benefits, tenure, or nonprobationary status. Administrative leave may be accompanied by such additional restrictions or conditions as may reasonably be imposed by the Superintendent under the circumstances (e.g., limitation on access to school property). The status of employees who are on administrative leave will be reviewed and reported to the Board periodically or as otherwise may be directed by the Board.

- 5.12.1 Reprimanding Employees – The Cleburne County Board of Education will follow the procedures of the Student First Act of 2012 regarding the reprimanding of employees.

## **5.13 *Equal Employment Opportunity***

- 5.13.1 Unlawful Discrimination Prohibited – The Board is an equal opportunity employer. Personnel actions and decisions will be made without regard to factors or considerations prohibited by federal or state law (as such laws may from time to time be amended), including but not limited to race, color, religion, sex, national origin, age, disability, and genetics.
- 5.13.2 Implementing Regulations Authorized – The Superintendent is authorized and directed to implement such rules, regulations, procedures, and directives as necessary and appropriate to implement and enforce this policy and any law prohibiting discrimination in the workplace, including the designation of one or more complaint/grievance investigators, officials, or coordinators, the development of complaint or grievance procedures for responding to allegations of unlawful discrimination, the provision of training or dissemination of instructional materials and advisories to appropriate staff members, and the administration of corrective or remedial action in response to violations of the law and of this policy.

## **5.14 *Employee Sexual Harassment***

The Board strictly prohibits unlawful discrimination in all of its programs, offices, departments and facilities. Sexual harassment, as defined by law, is a form of unlawful discrimination and will not be tolerated from employees or other persons associated with the Board.

5.14.1 **Sexual Harassment Prohibited** – Sexual harassment in any form that is directed toward students is prohibited. Persons who violate the policy will be subject to the full range of disciplinary consequences up to and including termination (for employees) and expulsion (for students) as dictated by the nature and severity of the violation and other relevant considerations. If appropriate, the circumstances constituting the violation may be reported to law enforcement agencies or child welfare agencies for further investigation and action,

5.14.2 **Definition of Sexual Harassment** – Title IX regulations define sexual harassment to include one or more of the following:

1. An employee conditioning the provision of an aid, benefit, or service of the school/school district on an individual's participation in unwelcome sexual conduct (i.e., quid pro quo sexual harassment);
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school/ school district's education program or activity; or
3. Sexual assault, dating violence, domestic violence, or stalking, as each of those terms is defined by federal statutes enumerated in the Title IX regulations, 34 C.F.R. § 106.30(a).

5.14.3 **Examples of Prohibited Conduct** – The following are examples of conduct that may constitute sexual harassment, depending on individual circumstances:

- a. Verbal harassment or abuse of a sexual nature, including graphic or derogatory comments, the display of sexually suggestive objects or pictures, and sexual propositions;
- b. Repeated unwelcome solicitation of sexual activity or sexual contact;
- c. Unwelcome, inappropriate sexual touching;
- d. Demands for sexual favors accompanied by implied or overt promises of preferential treatment or threats with regard to an individual's employment status.

5.14.4 **Sexual Harassment Complaint Procedures Authorized** – The Superintendent is authorized and directed to establish, implement and revise more detailed sexual harassment complaint procedures in compliance with Title IX that are designed to provide employees who believe that they are victims of unlawful sexual harassment with a thorough, discreet, and prompt internal procedure for investigating and resolving sexual harassment complaints. The process and procedures will be drafted so as to provide supportive measures,

facilitate the gathering of relevant facts and evidence, permit timely assessment of the merits of the complaint, provide an opportunity for informal resolution of complaint where appropriate, eliminate any harassment that is established by the investigation, and prevent any retaliation based upon the filing of the complaint. The procedures will reflect due regard for the legal rights and interests of all persons involved in the complaint, and will be drafted, explained, and implemented so as to comply with federal regulations, and to be understandable and accessible to all employee population groups.

- 5.14.5 Initial Confrontation of Accused Harasser Not Required – An employee who invokes the harassment complaint procedure will not be required to present the complaint to the accused or suspected harasser for resolution. In no case will any employee who is the subject of a complaint be permitted to conduct, review, or otherwise exercise decision-making responsibility in connection with the processing of the complaint.
- 5.14.6 Notice of Policy to be Promulgated – The Superintendent will promulgate and disseminate this policy and the complaint procedures to applicants for admission and employment, the schools, parents and legal guardians, unions and professional organizations, and will take such other steps and measures as may be reasonably available and expedient for informing the school community of the conduct prohibited by this policy and the recourse available to employees who believe that they have been subjected to sexual harassment.
- 5.14.7 Confidentiality – To the extent possible, reports of sexual harassment will be kept confidential; however, complete confidentiality cannot be guaranteed.
- 5.14.8 Retaliation Prohibited – No retaliation or adverse action may be imposed as a result of a good faith complaint or report of sexual harassment. False accusations that are made in bad faith or for improper reasons may result in disciplinary action.
- 5.14.9 Penalties for Violation – Any employee who violates the terms of this policy or who impedes or unreasonably refuses to cooperate with a Board investigation regarding allegations of sexual harassment will be subject to appropriate disciplinary action, up to and including termination.

## **5.15 Reduction-In-Force**

### **5.15.1 Definition and Scope –**

- a. This policy applies to reductions-in-force that are implemented by “layoffs” as contemplated by ALA. CODE §16-1-33 (1975).
- b. A reduction-in-force may be declared by the Board of Education and layoffs approved thereunder if the Board determines that decreased student enrollment or a shortage of revenues requires a reduction in the work force (beyond normal attrition) in order to maintain effective provision of educational services or to meet the Board’s financial, legal, or operational obligations.

*Cleburne County Board of Education  
Policy Manual*

- c. A “layoff” within the meaning of this policy is a separation from employment with the Board of Education. However, employees who are laid off under authority of this policy are eligible for recall to employment as conditionally provided in this policy. The term “layoff” does not include or apply to the expiration of temporary, occasional, or “at-will” appointments or to decisions not to renew or extend employment beyond the expiration of annual or other specified terms of appointment.

#### 5.15.2 Criteria for Implementing Layoffs -

- a. The order, priority, rank, or selection of individual employees who are to be laid off under authority of this policy shall be determined on the basis of objective criteria. However, nothing herein shall be deemed or construed to limit or abridge the Board’s legislative discretion to identify areas, departments, groupings, or classifications for reductions (layoffs). (For example, the Board is not required to justify by objective criteria or otherwise a decision to implement layoffs in non-instructional categories or employees before doing so with instructional staff).
- b. The criterion or criteria on which the layoffs are to be based shall be announced or otherwise made known by the Board to employees affected by the layoff no later than the date notice of the layoff is provided to the employees.
- c. “Objective criteria” within the meaning of this policy may include any lawful selection standard (or combination of standards) that is verifiable, calculable, measurable, or otherwise determinable by means or methods other than the personal or subjective judgments or opinions of the person(s) applying the criteria, and that would be expected to produce the same result if applied to the same employees or group of employees by different persons. For purposes of this policy, objective criteria may include, but are not limited to:
- Seniority, longevity, or time in service that will be more specifically described in the notice of layoff that is provided to affected employees
  - Years of experience
  - Degrees, certification, or licensure
  - Job classification
  - Written or otherwise documented performance evaluations that can be fairly, accurately, and objectively compared to other similarly situated employees for the purpose of ordering or ranking, provided that such evaluations predate the RIF announcement or declaration by not less than thirty days

#### 5.15.3 Recall - Employees who have been laid off under the terms of this policy will be given priority in filling positions as enrollment or financial circumstances warrant, provided that:

- a. The nature of the position and qualifications therefore have not materially changed;
- b. The laid-off employee remains properly qualified, licensed, or certified; and

c. The laid-off employee confirms in writing his or her availability for and interest in re-employment to the Board's Director of Human Resources in accordance with any directives that may be contained in or transmitted in conjunction with the notice of layoff.

Circumstances permitting, and to the extent practicable, the selection of employees for recall will be based on the criteria that were applied to the layoffs themselves if there are more employees eligible for recall than positions available to fill. When layoffs occur over a period of time, the Board will take relative length of separation from service into consideration in assigning recall priority, other factors being equal. In no case will any right to be recalled to employment extend beyond one year from the effective date of the employee's layoff. Recalled employees will retain credit for the tenure, years of service, and the pay and benefit status they held on the effective date of their layoff. No pay, benefits, status, or additional rights will accrue or be credited to the recalled employee for the time he or she has been laid off.

5.15.4 Notice - Notification of layoff and recall shall be by United States certified or registered mail, hand delivery, or such other means as are reasonable under the circumstances. Upon receipt of notification of recall, a laid-off employee shall respond affirmatively to the notice of recall in accordance with such specific directions or instructions as may be contained therein. Any laid-off employee who does not so respond or who otherwise declines an offer of reemployment by the Board will be deemed to have waived any right to be recalled under the terms of this policy. [Reference: ALA. CODE §16-1-33 (1975)]

5.15.5 Reservation of Board Authority – Nothing in this policy will be deemed or construed to restrict or impair the authority of the Board to reorganize, consolidate, eliminate, reallocate, or otherwise modify the nature and configuration of its workforce.

[Reference: ALA. CODE §16-1-33 (1975)]

5.15.6 Resignations – The 2011 Students First Act (“SFA”) has been revised. The revision contained in Act No. 2018-83, increases the amount of required notice that a K-12 public school teacher must provide before resigning employment with the school system. The amendment now provides as follows:

- The law now applies to all “teachers”, as that term is defined by the SFA, both probationary and tenured;
- No teacher can resign thirty (30) days before the school year begins;
- Teachers must provide the school system with at least thirty (30) days’ notice of their intention to resign their employment any other time during the year.
- Failure to provide the required notice could subject the teacher to action against his or her educator’s certificate.

Act No. 2018-83 (effective May 1, 2018)

## 5.16 *Unauthorized Payments*

5.16.1 Notification to the Employee – Upon discovery of any unauthorized or

*Cleburne County Board of Education  
Policy Manual*

erroneous payment or disbursement of funds to an employee, the Board will attempt in good faith to notify the employee of such unauthorized payment and to reach an agreement with the employee, if possible, regarding the amount and terms of repayment. Notification to the employee will consist of a letter mailed or delivered to the employee's last known address. The notice will specify the amount owed, the method by which the amount was calculated, a proposed schedule of repayment, an opportunity for the employee to review or examine any documents or other evidence supporting the claimed overpayment, and an opportunity for the employee to object in person or in writing to the amount or manner of the proposed withholding to provide an alternative plan of repayment. Unless the Board's ability to recover funds in question could be jeopardized by doing so, the Board will arrange a reasonable schedule of repayment so as to avoid undue hardship to the employee.

- 5.16.2 Retention and Recovery Authorized – If no objection to the proposed withholding is received within a reasonable time (to be specified in the notification letter), monies may be retained in the manner and to the extent described in the notification. If the employee objects to the proposed withholding, the Superintendent or his designee may, upon consideration of the objection and information and argument (if any) submitted in connection therewith, take such action as may be warranted under the circumstances and inform the employee in writing of the decision. If the employee is dissatisfied, he may contest the decision through the Board's complaint procedure. Monies may be withheld by the Board pending completion of the grievance process, provided that, should the Board later pay over to the employee monies that have been retained under authority of this policy, such payment(s) will reflect all appropriate deductions and will include accrued interest from the date of withholding at the rate specified by the then-effective rate applicable to interest on unpaid judgments under Alabama law. If, after exhausting reasonable efforts to do so, the Board is unable to contact the employee in the first instance, the Board may retain or withhold from compensation or other payments due the employee an amount sufficient to satisfy the indebtedness; provided that any such retention or withholding will be subject to review and reconsideration at the request of the employee.
- 5.16.3 Repayment Required as a Condition of Reemployment – The Board reserves the right to require repayment of any outstanding indebtedness as a condition to reemployment of any former employee.
- 5.16.4 Procedures Not Exclusive – The provisions, procedures, and method of review specified herein are in addition to those that are otherwise available to the parties under law for the retention or recovery of funds, and for administrative or judicial review thereof.

## **5.17 *Drug and Alcohol Testing of Safety Sensitive Employees***

- 5.17.1 Scope – The Board will conduct employee drug and alcohol testing for

employees in safety sensitive positions as required by and in accordance with federal law. Testing will be required for all employees holding a commercial drivers' license (CDL) or who occupy a safety sensitive position as designated by the Board ("covered employees").

5.17.2 Prohibited Alcohol and Controlled Substance-Related Conduct – In addition to activities identified in other policies, rules, and procedures, Board employees are prohibited from the following:

- b. Being on duty or operating a vehicle while possessing alcohol;
- c. Consuming alcohol while performing safety-sensitive functions;
- d. Consuming alcohol within eight hours following an accident for which post-accident alcohol test is required, or prior to undergoing a post- accident alcohol test, whichever comes first;
- e. Refusing to submit to an alcohol or controlled substance test required by post-accident, random, reasonable suspicion, or follow-up testing requirements;
- f. Consuming alcohol or being under the influence of alcohol within eight (8) hours of going on duty, operating, or having physical control of a vehicle;
- g. Reporting for duty or remaining on duty when using any controlled substance, except when instructed by a physician who has advised the driver and the Board that the substance does not adversely impact the performance of any safety-sensitive duty;
- h. Reporting for duty, remaining on duty, or performing safety sensitive functions with controlled substances in the employee's system.

In the event of a violation of this policy, the employee shall be removed immediately from safety-sensitive duties and shall be subject to such further actions, including disciplinary action up to and including termination, as deemed appropriate by the Superintendent and the Board.

5.17.3 Testing Program Authorized – The Superintendent is directed to establish a testing program whereby all covered employees will be tested for the presence of alcohol and controlled substances. The following tests may be conducted:

- a. *Pre-employment Testing* – Prior to the first time a covered employee performs a safety-sensitive function for the Board, the employee must undergo testing for alcohol and controlled substances.

- b. *Post-accident Testing* – Each surviving driver of an accident, as defined by the FHWA, will be tested for alcohol and controlled substances. In addition, covered employees who are involved in an accident involving injury to a person, or property damage in excess of five hundred dollars (\$500.00) will be subject to post-accident testing. Each surviving driver who is involved in an accident involving a school bus shall submit to testing as soon as practicable following such accident if such driver:
- 1) Was performing a safety-sensitive function with respect to such vehicle and the accident involved the loss of human life, or
  - 2) Such driver receives a citation within eight (8) hours of the occurrence under state or local law for a moving traffic violation arising from the accident and the accident involved either:
    - i. Bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident, or
    - ii. One or more motor vehicles incurs disabling damage requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

Each such driver shall remain readily available for such testing and if he does not remain so readily available, may be deemed to have refused to submit to testing. Transportation supervisors shall provide drivers with necessary post-accident information, procedures and instructions, prior to the driver operating the school bus, so that drivers will be able to comply with the requirements of this policy.

The tests required by this subsection shall be administered as soon as practicable following the accident. If the alcohol test is not administered within two hours following the accident, the supervisor will prepare and maintain a record stating the reasons. If the alcohol test is not administered within eight hours, and the controlled substances test within 32 hours, the same record shall be made and further efforts to administer such tests shall cease.

- c. *Random Testing* – The Board will conduct unannounced random alcohol and controlled substance testing of its covered employees.
- d. *Reasonable Suspicion Testing* – A covered employee must submit to alcohol or controlled substance testing whenever there is reasonable suspicion of alcohol misuse or the use of controlled substances based on specific, contemporaneous, and articulable observations concerning the appearance, behavior, speech, or bodily odors of the employee.
- e. *Return-to-Duty Testing* – A covered employee must submit to return-to-work alcohol and/or controlled substance test before being permitted to return to work following a positive alcohol or controlled substance test or other violation of this policy or federal regulations.

- f. *Follow-up Testing* – Any employee who continues performing safety-sensitive functions for the Board, following a determination that the employee requires assistance in resolving problems associated with alcohol misuse or the use of controlled substances, shall be subject to unannounced follow-up alcohol or controlled substance testing as directed by the Board’s substance abuse professional (SAP).

5.17.4 Administration of Program – The Superintendent is authorized to oversee the Board’s testing program, to contract with appropriate providers to implement the program, to develop guidelines, rules and regulations, to implement training programs, to develop and distribute educational materials and appropriate notices to covered employees, and to take such further action as may be required by federal law.

[Reference: Omnibus Transportation and Employment Act of 1991]

5.17.5 Compliance with Drug & Alcohol Clearinghouse Requirements – In accordance with federal law, covered employees must consent to an appropriate federal Drug & Alcohol Clearinghouse query in order to operate a commercial motor vehicle for the Board. Each covered employee must sign a limited consent for the Board’s designee to conduct a limited Clearinghouse query. Any covered employee who declines to give consent for a limited query will not be permitted to operate a commercial motor vehicle for the Board until such consent is given. Limited queries do not reveal specific information about employees. If a limited query shows that there is information in the Clearinghouse on the covered employee, the covered employee must consent to a full query, which must be conducted immediately. The covered employee will not be permitted to drive or perform safety sensitive functions until the query results confirm that the employee’s Clearinghouse record contains no prohibitions as defined under the regulations. Any covered employee whose record reveals such prohibitions will not be permitted to drive or otherwise perform safety-sensitive functions until the covered employee successfully completes the return-to duty process. Any covered employee’s refusal to consent or to successfully complete the return-to-duty process in accordance with federal law will be subject to disciplinary action up to and including termination.

For purposes of this policy, the residence of the student will be the residence of the custodial parent or legal guardian. If custody of the child is shared, alternating, or unclear, or if the child does not reside with a custodial parent or legal guardian, the domicile or actual physical residence of the child will control, except when there is evidence that the claimed residence of the child is not his actual residence, or that the claimed residence is fraudulently given as a means of avoiding or violating admission, enrollment, attendance, and residency standards and requirements. [Reference: ALA. CODE §16-28-3]
- b. *Non-resident Students* – The Board may permit students who do not reside within the Cleburne County School District to attend schools within the school system in the following instances:
1. A student whose parent or legal guardian is employed by the Cleburne County Board of Education, but with a residence outside the Cleburne County School District shall be permitted to attend school within the school system upon approval of and in accordance with guidelines by the Superintendent.
  2. If a student is determined to be homeless as defined by the McKinney Homeless Assistance Act, enrollment shall not be denied or delayed based upon residency requirements, guardianship/custody requirements, or lack of proof regarding such requirement.
  3. Other exceptions to the stated residency requirements, including any exception based upon temporary delegation of parental authority, may be made only with special permission of the Superintendent or his designee pursuant to a written request fully

documenting the emergency situation or extenuating circumstances justifying the exceptions.

Such exceptions, when justified, shall be granted only for such durations of time as are appropriate under the circumstances, normally not to exceed one year. The school will provide Delegation of Powers and Acceptance of Appointment paperwork if reasons are compelling. Parents and guardians may be asked to execute affidavits and to submit other sworn and notarized documents in such instances.

- c. *Homeless Students* – Homeless students will be permitted to enroll without regard to residency status and may be entitled to other accommodations under federal law.
  - 1. Enrollment – Homeless students will be permitted to enroll without regard to residency status and will not be denied services offered to other students in the school system. Homeless students may also be entitled to other accommodations under federal law. Homeless students will continue in the school they attended before becoming homeless for the duration of their homelessness, or for the remainder of the academic year if the student becomes permanently housed during an academic year. Otherwise, a homeless student may be enrolled in any school in the system that non-homeless students who live in the attendance area in which the student is living are eligible to attend.
  - 2. Dispute Resolution – When a dispute arises regarding school placement, the system will immediately enroll the homeless student in the school in which enrollment is sought by the parent, guardian, or unaccompanied youth, pending resolution of the dispute. The school will provide the parent, guardian, or unaccompanied youth with a written explanation of the decision, a statement of the right to appeal, and the procedure for appealing the placement decision. The principal of the school will notify the Board’s Homeless Liaison of the dispute.
  - 3. The Homeless Liaison will expeditiously carry out the systems dispute resolution procedures as detailed in the Board’s homeless student plan. [Reference: 42 U.S.C.A §11432(g)(3)(A) & (E)]
- d. *Students Expelled or Suspended from Other School Systems* – Any student who is under suspension or expulsion from another school system or a private, parochial, or other school will not be permitted to enroll until the student has satisfied the conditions for readmission set by the expelling or suspending board or authority in addition to generally applicable admission requirements established by the Board.

birth certificate, documentation or other proof of residency, and such other registration materials as school officials may reasonably require, including but not limited to a certificate of immunization or an exemption as prescribed by the Department of Health and signed by a private physician or appropriate health department official. The Superintendent may accept alternate forms of evidence or modify otherwise applicable requirements as necessary and appropriate to accommodate migrant, immigrant, or homeless students.

- f. *Placement of Students* – The Board will determine the placement of newly enrolled students in accordance with state law.
- g. *Resident Pre-K Students* – School age children who reside within Cleburne County (and those whose parent or legal guardian is employed by the Cleburne County Board of Education living in a district outside the Cleburne County School District) may be admitted to the programs. After initial enrollment is complete in the spring of the preceding year, students living outside the Cleburne County School District may be enrolled at the discretion of the Superintendent of Education.
- h. *Students in Foster Care* – A student in foster care will enroll or remain in the student's school of origin, unless it is determined that remaining in the school of origin is not in such student's best interest. If it is not in a student's best interest to stay in the school of origin, a student in foster care may be enrolled in any school in the system that serves the attendance area in which the student is living, even if the student is unable to produce records normally required for enrollment. The school system will immediately contact the school last attended by the student to obtain relevant academic and other records. [Reference: 20 U.S.C.A §6311(g)(1)(E)]

1. Personal illness of the student
2. Student sent home by school nurse due to illness
3. Inclement weather, which would be dangerous to the life or health of the child as determined by the principal
3. Legal quarantine
4. Death in immediate family
5. Emergency conditions as determined by the principal
7. Prior permission of principal upon request of the parent or legal guardian

Documentation supporting an excused absence must be submitted in a timely manner or the absence will be deemed unexcused. Excessive unexcused absences may result in a loss of academic credit or referral of the matter to juvenile or other appropriate legal authorities for investigation.

6.1.5 Truancy – Parents or guardians are required to ensure that students under their care, custody or control attend school regularly. Habitual or excessive absence from school may require Board officials to refer the matter to juvenile authorities or to initiate truancy proceedings.

The existence or availability of a transfer process does not create or give rise to any right to attend a particular school, and school assignment remains wholly with the discretion of the Board.

6.4.2 Athletics – Participation in Board sanctioned athletic programs will be on such terms and conditions as may be approved by the Board and any athletic association of which the Board or the applicable local school is a member. Schools may establish terms and conditions for participation in such programs as long as school eligibility criteria are not inconsistent with system-wide eligibility or participation criteria, rules, regulations, or standards established by any athletic association or organization of which the Board or the applicable local school is a member, or any rule, principle, or provision of applicable law.

6.4.2.1 Youth Athletes and Concussion Policy – Youth athletes who have been removed from a practice or an athletic game because of concussion are required to be withheld from practice or participation in athletic games for the day of injury AND until the athlete is evaluated by a licensed physician and receives written clearance to return to play from a licensed physician. ENACTED ACT 2012-312 HB0308  
Alabama Code §22-11E-2

6.4.3 Academic Ineligibility – The Board prescribes the following regulations for eligibility in this school system to participate in all extracurricular activities.

Students entering Grades 10 through 12 must, for the immediate preceding school year, have passing grades of at least a 70 composite numerical average and earn the appropriate number of credits in each of six (6) subjects that total six (6) Carnegie units of credit, including four (4) credits from the four (4) core subjects composed of English, science, social studies, and mathematics.

- a. Physical education may count as only one (1) unit per year.
- b. No more than one (1) Carnegie unit may be made up during summer school. If a unit(s) or subject(s) is repeated in summer school, the higher numerical grade for the unit(s) or subject(s) may be used to compute the composite grade average.
- c. Eligibility will be determined on the first day of the local school year and will remain in effect for one (1) complete school year. Students ineligible at the beginning of an academic year may become eligible at the end of the first semester if they meet all academic requirements at that time. *Bona fide* transfers may be dealt with according to the rules of the Alabama High School Athletic Association for sports and rules to be developed by this Board of Education as they pertain to other extracurricular activities.
- d. Each eligible student involved in athletics must meet the definition of a regular student as defined by the Alabama High School Athletic Association.
- e. Any student who earns more than four (4) credits in the core curriculum in any given year or who accumulates a total in excess of the required four (4) per year may be exempt from earning the four (4) core courses in the succeeding year as long as that student remains on schedule for graduation with his or her class.

Students entering Grades 8 and 9 must, for the immediately preceding school year, have a passing grade in five (5) subjects with a composite numerical average of 70 with all other rules applying the same as to students in Grades 10 – 12.

Students promoted to the seventh grade for the first time are eligible.

For the purposes of this subsection, extracurricular activities associated with athletics are defined as those recognized and sanctioned by the Alabama High School Athletic Association, and other extracurricular activities are defined as those that are sanctioned by a public school that are not related to a student's academic requirements or success in a course(s). Regular curricular activities are defined as those that are required for satisfactory course completion. School sponsors are required to submit a request for each curricular activity that occurs outside the regular school day and/or school to the principal, Superintendent, and the

local Board of Education for approval. Each request for full participation by all students, regardless of academic standing, in a curricular activity will be granted if the principal, Superintendent, and the local Board of Education approve participation in the activity as an extension of a course(s) requirement(s) and it is an event sanctioned by a state/national subject matter association. Notwithstanding anything to the contrary in this policy, student participation in extracurricular activities offered by the school through math, science, band, choral, music, and other courses at events such as athletic events (pre-game, game, halftime, or other breaks), club conventions, parades, amusement park trips and competitions, trips by tour companies, performance at various meetings, etc. are extracurricular, and students academically ineligible under this policy will not be allowed to participate. [Reference: Ala. Admin. Code 290-3-1-.02(19)]

## 6.9 *Student Sexual Harassment*

- 6.9.1 Sexual Harassment Prohibited – Sexual harassment in any form that is directed toward students is prohibited. Persons who violate the policy will be subject to the full range of disciplinary consequences up to and including termination (for employees) and expulsion (for students) as dictated by the nature and severity of the violation and other relevant considerations. If appropriate, the circumstances constituting the violation may be reported to law enforcement agencies or child welfare agencies for further investigation and action.
- 6.9.2 Definition – For purposes of this policy, sexual harassment means unwelcome sexual advances, requests for sexual favors, other physical or verbal conduct or communications of a sexual nature, and any other gender-based harassment, whether initiated by students, school employees, or third parties, and Title IX regulations define sexual harassment to include one or more of the following:

The process and procedures will be drafted so as to provide supportive measures, facilitate the gathering of relevant facts and evidence, permit timely assessment of the merits of the complaint, provide an opportunity for informal resolution of complaint where appropriate, eliminate any harassment that is established by the investigation, and prevent any retaliation based upon the filing of the complaint. The procedures will reflect due regard for the legal rights and interests of all persons involved in the complaint, and will be drafted, explained, and implemented so as to comply with federal regulations, and to be understandable and accessible to all student population groups and ages.
- 6.9.4 Initial Confrontation of Accused Harasser Not Required – A student who invokes the harassment complaint procedure will not be required to present the complaint to the accused or suspected harasser for resolution. Students will be permitted to report allegations of suspected harassment to any appropriate Board administrator, teacher, counselor, or employee, and such persons have a duty to promptly refer such allegations to the Title IX Coordinator or to take such action as may be required by the procedures established under “Sexual Harassment Complaint Procedures Authorized” above.
